NO.	QUESTION	ANSWER
9	Is there any penalty charge if I terminate my Unifi Home AFTER the minimum subscription period is over?	<ul style="list-style-type: none"> <li>There will be no penalty charge for termination made <b>after</b> the minimum contract period</li> </ul>
ELIGIBILITY		
10	Who is eligible to subscribe to Unifi Home?	<ul style="list-style-type: none"> <li>All Malaysians and non-Malaysians above 18 years old can subscribe to Unifi Home plans. It is subject to service and coverage availability.</li> </ul>
VOICE OFFERING, DOWNLOAD & UPLOAD SPEED		
11	What are the voice call charges offered by Unifi Home packages?	<ul style="list-style-type: none"> <li>The voice charges will depend on the package offerings. For Unifi customers without any call plan, calls from Fixed to Fixed line and Fixed to Mobile line will be charged at 20 Sen/min (including local calls).</li> </ul>
12	Why is the upload speed different from the download speed?	<ul style="list-style-type: none"> <li>Based on our findings on consumer's behavior, most of the users' activities spent on the Internet requires higher download speed for seamless internet experience, for instance: video streaming, social networking, downloading materials, etc.</li> <li>The upload speed for the Unifi plans is sufficient to provide good experience to almost all customers. From the usage statistics of our existing Unifi customers, 90% of total users only utilised less than 5Mbps upload speed. Common genuine usage includes gaming, VoIP, FTP, CCTV and video streaming and other high latency application.</li> </ul>

NO.	QUESTION	ANSWER
13	<b>I need higher upload speed. Does TM offer any packages that can suit that requirement?</b>	<ul style="list-style-type: none"> <li>▪ The upload speed for all Unifi plans is sufficient to provide a trusted internet experience to almost all subscribers. For average usage, we encourage you to subscribe to our Unifi 500Mbps plan™ to enjoy high upload speed.</li> <li>▪ For customers that require even higher upload speed, we encourage you to subscribe to our Unifi 2Gbps plan™ to enjoy maximum upload speed that we can offer.</li> </ul>
<b>SERVICE AVAILABILITY</b>		
14	<b>How do I check for Unifi service availability in my area?</b>	<ul style="list-style-type: none"> <li>▪ You can check Unifi service availability in your area in the following ways:               <ul style="list-style-type: none"> <li>a) Check via Unifi portal at <a href="https://unifi.com.my/check-coverage">https://unifi.com.my/check-coverage</a></li> <li>b) Check via our digital channels:                   <ul style="list-style-type: none"> <li>• Live Chat at <a href="https://maya.unifi.com.my/">https://maya.unifi.com.my/</a> or via MyUnifi app / Unifi UniVerse app</li> <li>• Facebook at <a href="facebook.com/weareunifi">facebook.com/weareunifi</a></li> <li>• X (formerly Twitter) at <a href="https://twitter.com/unifi">@unifi</a></li> <li>• Email to <a href="mailto:help@unifi.com.my">help@unifi.com.my</a></li> </ul> </li> <li>c) Walk in to the nearest <a href="#">Unifi Store / TMpoint</a></li> </ul> </li> </ul>
15	<b>My home is located at a non-Unifi area. Can I still subscribe to these plans?</b>	<ul style="list-style-type: none"> <li>▪ The package offer is subject to Unifi service and coverage availability.</li> <li>▪ We will update you from time-to-time on Unifi service readiness available at your area. Alternatively, you can also check out our wireless broadband service at <a href="https://unifi.com.my/broadband/wireless">https://unifi.com.my/broadband/wireless</a></li> </ul>

NO.	QUESTION	ANSWER
16	I live in an area where Unifi service is not available. What other plans can TM offer me?	<ul style="list-style-type: none"> <li>To know more about the best plan for you, kindly contact us via channels below:</li> </ul> <p>a) Online</p> <ul style="list-style-type: none"> <li><a href="https://unifi.com.my">Unifi.com.my</a> portal</li> <li>Live Chat: <a href="https://maya.unifi.com.my/">https://maya.unifi.com.my/</a></li> <li>Facebook: <a href="https://facebook.com/weareunifi">facebook.com/weareunifi</a></li> <li>X (formerly Twitter) at <a href="https://twitter.com/unifi">@unifi</a></li> </ul> <p>b) Walk in to the nearest <a href="#">Unifi Store / TMpoint</a></p> <ul style="list-style-type: none"> <li>Call 100 (press 3)</li> </ul>
REGISTRATION		
17	How do I subscribe to Unifi Home package?	<p>You may subscribe from these channels below:</p> <p>a) <a href="https://unifi.com.my">Unifi.com.my</a> portal</p> <p>b) Call 100 (press 3)</p> <p>c) Walk in to the nearest <a href="#">Unifi Store / TMpoint</a></p>
UPGRADE / DOWNGRADE		
18	Can I upgrade / downgrade my Unifi Home plan?	Yes, you are allowed to change to the higher/lower speed package at any time. However, depending on your package selection, you will be tied to a new contract period if the package offers better value such as it comes with a new device, discounted price or any other value added regardless of whether you are within or beyond the contract period.
19	My current Unifi Home plan is still within the contract period and I wish to upgrade to the new Unifi Home plan. Will I be penalised?	Penalty charges will be imposed based on campaign's Terms & Conditions. Any change of plan may come with a new 24-month contract, depending on your package selection.
20	Where can I upgrade / downgrade my Unifi Home plan?	You can change your plans by logging in to <a href="https://unifi.com.my">Unifi.com.my</a> , MyUnifi app, Unifi Universe app or by visiting any nearest <a href="#">Unifi Store / TMpoint</a>

NO.	QUESTION	ANSWER
SPEED TEST FOR 500MBPS & BELOW		
21	How do I check the speed of my Unifi Home plan?	<ul style="list-style-type: none"> <li>Once your service is activated, you can run a speed test via <a href="https://speedtest.tm.com.my/">https://speedtest.tm.com.my/</a>.</li> </ul>
22	What do I need to do after TM has successfully upgraded my speed / package?	<ul style="list-style-type: none"> <li>Step 1: You are required to turn off your wireless router for 10 minutes to allow new configuration to take place before you can enjoy your new speed.</li> <li>Step 2: Once done, you can start testing your Unifi speed at this link <a href="https://speedtest.tm.com.my/">https://speedtest.tm.com.my/</a></li> <li>Step 3: Click the 'GO' button on the front page and wait for the test to complete.</li> </ul>  <ul style="list-style-type: none"> <li>Step 4: The test will show the result of your current upload and download speeds.</li> </ul>

**IMPORTANT NOTES:**

- Before you perform the speed test, please stop any ongoing downloading activities and shut down any programs that may be utilizing your connection i.e. P2P, streaming, etc.
- Speed test can be done over wireless. However, for accurate results, it is recommended that the test to be done over wired connection by using LAN cable provided during your Unifi home installation. To learn more, head over to our website [unifi.com.my/unifi-experience](https://unifi.com.my/unifi-experience)
- Simply plug the LAN cable from your computer to your wireless router LAN port LAN1 to LAN3 (any of them).

NO.	QUESTION	ANSWER
31	<b>How does the speed test in the mobile app work?</b>	<ul style="list-style-type: none"><li>▪ The speed test measures your internet speed between the Combo Box (via GPON WAN connection) and the dedicated TM Ultra Speedtest server.</li><li>▪ The test result will be displayed within the mobile app.</li></ul>
32	<b>Do I need an internet connection to use the speed test in the app?</b>	<ul style="list-style-type: none"><li>▪ Yes, an active internet connection is required for the app to access the dedicated TM Ultra Speedtest server.</li></ul>
33	<b>Do I need to connect to my own Wi-Fi to use the speed test?</b>	<ul style="list-style-type: none"><li>▪ Yes, the mobile app must be installed and connected to your Wi-Fi for local access.</li></ul>
34	<b>Can I use a different Wi-Fi network to test the speed of my Unifi internet account via the speed test app?</b>	<ul style="list-style-type: none"><li>▪ Yes, the mobile app can be used over any internet connection for remote access.</li></ul>

35	What download and upload speeds can I expect when running a speed test from my computer using a LAN cable connected directly to the Optical Network Router's LAN port?	<table> <tr> <th data-bbox="761 108 965 169">Speed</th><th data-bbox="965 108 1400 169">1 Gbps</th><th data-bbox="1400 108 1944 169">2 Gbps</th></tr> <tr> <td data-bbox="761 169 965 651"> <b>Speed test Example 1</b> </td><td data-bbox="965 169 1400 651">  </td><td data-bbox="1400 169 1944 651">  </td></tr> <tr> <td data-bbox="761 651 965 1182"> <b>Speed test Example 2</b> </td><td data-bbox="965 651 1400 1182">  </td><td data-bbox="1400 651 1944 1182">  </td></tr> </table>	Speed	1 Gbps	2 Gbps	<b>Speed test Example 1</b>			<b>Speed test Example 2</b>		
Speed	1 Gbps	2 Gbps									
<b>Speed test Example 1</b>											
<b>Speed test Example 2</b>											
36	What can I do to improve the speed via wireless connectivity?	<ul style="list-style-type: none"> <li>▪ We recommend adding an additional Combo Box/Mesh as a Mesh Wi-Fi node to enhance your wireless coverage within your premises.</li> <li>▪ We recommend practising these tips to improve your speed via wireless connectivity:             <ul style="list-style-type: none"> <li>(a) HEAT – Place your wireless router away from areas with high temperature as heat will affect the router performance and browsing experience.                 <ul style="list-style-type: none"> <li>a. Wireless router should be placed in an open area to allow heat ventilation.</li> <li>b. Place the broadband equipment next to each other instead of stacking it up to reduce the risk</li> </ul> </li> </ul> </li> </ul>									

		<p>of overheating.</p> <p>(b) DISTANCE – Wireless router has distance limitations when it comes to signal range. As distance increases, the signal becomes weaker.</p> <ul style="list-style-type: none"> <li>▪ Consider placing your Wireless router in an area where you would frequently do your browsing activities.</li> </ul> <p>(c) OBSTRUCTION – Wi-Fi signal efficiency will decrease when it passes through physical obstruction e.g.: thick walls, metals and solid objects.</p> <ol style="list-style-type: none"> <li>a. Consider placing your Wireless router in an open area to maximise signal reception.</li> <li>b. Avoid placing your router in a closed cabinet, secluded room or under the stairs.</li> </ol> <p>(d) ELECTROMAGNETIC INTERFERENCE – Signal waves generated by home appliances such as microwave ovens, refrigerators, baby monitors can interfere with your Wi-Fi connectivity.</p> <ol style="list-style-type: none"> <li>a. Place your Wireless router away from the home appliances.</li> <li>b. Avoid sharing the power socket that is connected with the home appliances.</li> </ol> <p>(e) WI-FI SECURITY PASSWORD – A user may hack into your Wi-Fi security password to get free internet access. The more users connected to your Internet, the more bandwidth will be consumed; thus affecting your browsing experience.</p> <ol style="list-style-type: none"> <li>a. Consider setting a unique and strong Wi-Fi security password.</li> <li>b. Consider changing your Wi-Fi security password from regular basis to improve your network security.</li> </ol> <p>Alternatively, you can visit <a href="https://unifi.com.my/personal/home/wireless-broadband">https://unifi.com.my/personal/home/wireless-broadband</a> for further information on tips to enhance your wireless connectivity speed.</p>
<b>RELOCATION</b>		
37	<p><b>What if I need to relocate my Unifi Home service? Are there any charges that I need to pay?</b></p>	<ul style="list-style-type: none"> <li>▪ You can submit a relocation request through any of these channels: <ul style="list-style-type: none"> <li>• Live Chat at <a href="https://maya.unifi.com.my/">https://maya.unifi.com.my/</a></li> <li>• MyUnifi app and Unifi UniVerse app</li> <li>• Email – <a href="mailto:help@unifi.com.my">help@unifi.com.my</a></li> </ul> </li> <li>▪ Please note that relocation is subject to service availability at your new address.</li> </ul>

38	<b>I'm subscribing to Unifi Home and I will be relocating to an area where there's no Unifi coverage. Can I terminate my Unifi service without any penalty?</b>	<ul style="list-style-type: none"> <li>▪ If you relocate to a Unifi non-serviceable area: <ul style="list-style-type: none"> <li>• You have the option to subscribe to any Broadband speed available depending on the area served. If you do not wish to subscribe to any of the Broadband packages available, Unifi has the right to charge early termination fee of your Unifi Home account (if applicable).</li> <li>• If you're relocating to an area where our services are unavailable, please note that the Early Termination Penalty (ETP) and our 30-day policy will still apply. We encourage you to explore other options provided by TM to make your service relocation as smooth as possible.</li> </ul> </li> </ul>
<b>UNIFI HOME INSTALLATION &amp; ACTIVATION</b>		
39	<b>When will my Unifi Home service be activated?</b>	<ul style="list-style-type: none"> <li>▪ The lead time for your Unifi service to be activated is up to seven (7) days from the date of registration.</li> </ul>
40	<b>How long does a typical Unifi Home installation and testing take?</b>	<ul style="list-style-type: none"> <li>▪ Installation and testing are expected to take approximately 4 to 8 hours depending on the type of your premises due to the sensitive nature and the complexity involved in fiber installations.</li> <li>▪ The installation process includes site survey, ducting, piping, electrical work and equipment configurations.</li> </ul>
41	<b>Does TM allow customers to appoint their own contractor to perform internal wiring?</b>	<ul style="list-style-type: none"> <li>▪ Yes, we do. You may call their own contractor to fix the internal wiring but Unifi will not be liable for any damages resulting from any works done by third parties.</li> </ul>
42	<b>What are the charges for installation fee and equipment?</b>	<ul style="list-style-type: none"> <li>▪ Installation charge for Unifi is RM200 (currently waived for standard installation for the first 50 meters only). If your premises requires non-standard installation or additional cabling, extra charges will be imposed by TM Contractor.</li> <li>▪ The standard package is inclusive of equipment worth approximately RM1,000 that will also be given free of charge to you.</li> </ul>
43	<b>Can I use the unifi service at different location?</b>	<ul style="list-style-type: none"> <li>▪ Subscribers are only allowed to use the Unifi service at installation address and not allowed to use the service at any other different location than the installation address</li> </ul>

NO.	QUESTION	ANSWER
TRANSFER OF OWNERSHIP		
44	Are there any charges if I request for change of ownership?	<ul style="list-style-type: none"> <li>Yes, change of ownership is subject to a one-off fee of RM10 per change request.</li> </ul>
45	Where can I request for change of ownership?	<ul style="list-style-type: none"> <li>Change of ownership request can be made at any <a href="#">Unifi Store/TMpoint</a> outlets nationwide. Both existing and new owners must be present with their respective MyKad.</li> </ul>
ADVANCE PAYMENT		
46	Do I need to make any payment during application?	<ul style="list-style-type: none"> <li>Yes. If you are applying for Unifi Home service without biometric verification or eKYC, an advance payment is required (for Malaysians).</li> <li>For non-Malaysians or permanent residents, a deposit of RM500 is required during registration.</li> <li>Here's what you need to know about the possible payments: <ul style="list-style-type: none"> <li><b>Advance Payment:</b> Collected within 14 days after your service is activated. You will receive an SMS confirmation once the payment is successful, and the amount will be reflected in your next bill. The amount will vary based on the package subscribed.</li> <li><b>Upfront Payment:</b> A payment link will be provided, and payment must be made during registration.</li> <li><b>Deposit:</b> A payment link will be provided, and payment must be made during registration.</li> </ul> </li> </ul>
PAYMENT & BILLING		
47	When will I receive my first bill after subscribing to a Unifi Home Package?	<ul style="list-style-type: none"> <li>Your first bill will be generated once your billing cycle is assigned, typically after your service is activated. This bill may include prorated charges based on your current usage and a one (1) month advance payment.</li> </ul>

NO.	QUESTION	ANSWER

NO.	QUESTION	ANSWER
55	Can I check my previous month's statement?	<ul style="list-style-type: none"> <li>▪ Yes. You can view your past bill statements up to six (6) months through the following platforms:               <ul style="list-style-type: none"> <li>• MyUnifi app – For customers who subscribed to Unifi <b>before</b> 17 March 2025</li> <li>• Unifi UniVerse app – For customers who subscribed to Unifi <b>from</b> 17 March 2025 onwards</li> <li>• Unifi Selfcare portal – <a href="https://selfcare.unifi.com.my/">https://selfcare.unifi.com.my/</a></li> </ul> </li> </ul>
56	How do I make online payments via the Unifi portal?	<ul style="list-style-type: none"> <li>▪ You can make your bill payment easily through the Unifi Selfcare portal by following these steps:               <ol style="list-style-type: none"> <li>1. Sign in to the Unifi Selfcare portal at <a href="https://selfcare.unifi.com.my/">https://selfcare.unifi.com.my/</a></li> <li>2. Click on the “Pay Bill” icon</li> <li>3. Select your account and click “Next”</li> <li>4. Choose your preferred payment method</li> <li>5. Click “Next” again to proceed with the payment</li> </ol> </li> </ul>
57	How do I make online payments via the MyUnifi / Unifi UniVerse app?	<p>Note: Please use the correct app based on your subscription date:</p> <p>MyUnifi app – For customers who subscribed to Unifi <b>before</b> 17 March 2025</p> <ol style="list-style-type: none"> <li>1. Sign in to the MyUnifi app</li> <li>2. Tap the “Pay Bill” icon</li> <li>3. Select your account and tap “Pay”</li> <li>4. Tap the account checkbox</li> <li>5. Tap “Pay”, then tap “Next”</li> <li>6. Choose your preferred payment method</li> <li>7. Tap “Next” again to proceed with the payment</li> </ol>

		<p>Unifi UniVerse app – For customers who subscribed to Unifi <b>from</b> 17 March 2025 onwards</p> <ol style="list-style-type: none"> <li>1. Sign in to the Unifi UniVerse app</li> <li>2. Tap the “Pay Bill” icon</li> <li>3. Select your account and tap “Pay Bill”</li> <li>4. Tap “Confirm”</li> <li>5. Choose your preferred payment method</li> <li>6. Tap “Next” again to proceed with the payment</li> </ol>
58	<b>In my Unifi bill, charges for Internet and Unifi TV are listed separately. Does this mean I can remove my Unifi TV pack?</b>	<ul style="list-style-type: none"> <li>▪ Unifi TV is part of Unifi’s triple play service offering i.e. Internet, Voice and IPTV. As such, it is inclusive and cannot be removed.</li> </ul>
59	<b>How do I read and understand the details of my bill?</b>	<ul style="list-style-type: none"> <li>▪ Your bill is divided into several sections to help you easily identify your charges, usage and payment details. For a complete guide on how to read your bill, please refer to the step-by-step explanation in our bill overview guide.</li> <li>▪ Click the link below to view the bill guide:  <a href="https://unifi.com.my/sites/default/files/html/ListFAQ/others/HowtoReadYourBill_Mobile_25June.pdf">https://unifi.com.my/sites/default/files/html/ListFAQ/others/HowtoReadYourBill_Mobile_25June.pdf</a> </li> </ul>
60	<b>What are prorated charges?</b>	<ul style="list-style-type: none"> <li>▪ Prorated charges are fees or costs calculated for a partial period rather than a full billing cycle. These charges apply to the period from your service start date to your first bill date.</li> <li>▪ Click the link below to see how prorated charges are calculated:  <a href="https://unifi.com.my/sites/default/files/html/List-FAQ/others/FAQ_Prorate-charges_unifi-mobile.pdf">https://unifi.com.my/sites/default/files/html/List-FAQ/others/FAQ_Prorate-charges_unifi-mobile.pdf</a> </li> </ul>

NO.	QUESTION	ANSWER
UNIFI HOME EQUIPMENT		
61	What Unifi home equipment should I get for 500 Mbps and below?	<ul style="list-style-type: none"> <li>For 500Mbps and 300Mbps plans:               <ol style="list-style-type: none"> <li>Optical Network Termination (ONT)</li> <li>Mesh Wireless Gateway (MWG) AX3000 and Mesh Satellite</li> </ol> </li> <li>For 100Mbps plan:               <ol style="list-style-type: none"> <li>Optical Network Termination (ONT)</li> <li>Mesh Wireless Gateway (MWG) AX1800 and Mesh Satellite</li> </ol> </li> </ul>
62	What Unifi home equipment should I get for 1Gbps and 2Gbps?	<ul style="list-style-type: none"> <li>For 1Gbps and 2Gbps plans:               <ol style="list-style-type: none"> <li>Optical Network Router AX3000 2.5 G and Mesh Satellite.</li> </ol> </li> </ul>
63	What is the difference in Unifi home equipment between 1Gbps/2Gbps and 500Mbps & below?	<ul style="list-style-type: none"> <li>1Gbps and 2Gbps subscribers will not receive Optical Network Termination (ONT) as this device has been integrated in the Optical Network Router AX3000 2.5G.</li> </ul>
64	For Optical Network Router configuration, can it be done remotely via the mobile app?	<ul style="list-style-type: none"> <li>No. This feature is not currently available and will be supported later.</li> </ul>

NO.	QUESTION	ANSWER
65	How does a 2Gbps network work?	<ul style="list-style-type: none"> <li>2Gbps connection is enabled via a GPON WAN connection.</li> </ul>
66	In an illustration or a diagram, how does a 2Gbps network work?	<ul style="list-style-type: none"> <li>The 2Gbps network is further illustrated in the diagram below:</li> </ul> 
67	My internet speed test for 2Gbps plan is not going beyond 1Gbps. Is this normal?	<ul style="list-style-type: none"> <li>It is recommended to perform speed test via D-Link Wi-Fi Air app to achieve speed test result beyond 1Gbps.</li> <li>If you wish to perform the speed test through Unifi speed test website, please refer to 'Figure 3: Speed test via LAN' diagram for the guide.</li> </ul>

NO.	QUESTION	ANSWER
68	<b>What is the benefit of having a 2Gbps network in the homes?</b>	<ul style="list-style-type: none"> <li>With the demands and trends for higher bandwidth growing each year, this ultra-speed package will fulfill those needs for higher bandwidth.</li> </ul>
69	<b>Can I use a third party router in conjunction with my Optical Network Router?</b>	<ul style="list-style-type: none"> <li>We highly recommend that you use TM's provided equipment only as the device has been configured to work with TM network environment.</li> </ul>
70	<b>Can I use my own equipment instead of using the Optical Network Router?</b>	<ul style="list-style-type: none"> <li>We highly recommend that you use TM's provided equipment only as the device has been configured to work with TM network environment.</li> </ul>
<b>TELEPHONE SET</b>		
71	<b>Am I eligible to get a telephone set if I subscribe to Unifi Home plans?</b>	<ul style="list-style-type: none"> <li>Unifi Home plans do not come with telephone set. You may buy the telephone set from Unifi Store/TMpoint outlets or any other shops selling the DECT phone.</li> </ul>
72	<b>The Unifi Home plans also come with a fixed line. Can I make any calls?</b>	<ul style="list-style-type: none"> <li>Yes, you are able to make calls. However, you will need to purchase your own telephone set by visiting the nearest Unifi Store/TMpoint or any telecommunications outlets.</li> </ul>
73	<b>Where can I get the telephone set?</b>	<ul style="list-style-type: none"> <li>Our voice service is compatible with any telephone set. You can get your phone set at the nearest Unifi Store/TMpoint outlet or any telecommunications merchants.</li> </ul>

NO.	QUESTION	ANSWER
74	<b>What should I do if my Unifi Home equipment is faulty?</b>	<ul style="list-style-type: none"> <li>▪ If the fault is due to a manufacturing defect and the equipment is still under warranty, the equipment will be replaced for FREE.</li> <li>▪ If the fault is due to customer, customer has an option to replace the equipment either by purchasing a new set of equipment at their own cost without the service contract period being extended or opt for renewal of service in which the contract period of subscribed service will be refreshed effective from the date of the equipment replacement and the equipment will be replaced for FREE.</li> <li>▪ Alternatively, you may contact us via our channels below:               <ul style="list-style-type: none"> <li>a) Digital channels:                   <ul style="list-style-type: none"> <li>• Live Chat at <a href="https://maya.unifi.com.my/">https://maya.unifi.com.my/</a> or via MyUnifi app / Unifi UniVerse app</li> <li>• Facebook at <a href="https://facebook.com/weareunifi">facebook.com/weareunifi</a></li> <li>• X (formerly Twitter) at <a href="https://twitter.com/unifi">@unifi</a></li> <li>• Email to <a href="mailto:help@unifi.com.my">help@unifi.com.my</a></li> </ul> </li> <li>b) Call 100</li> </ul> </li> </ul>
75	<b>Will I get a new equipment if I upgrade from broadband to Unifi Home package?</b>	<ul style="list-style-type: none"> <li>▪ For existing broadband (Streamyx or Unifi Lite) subscribers who have upgraded to any of the Unifi Home packages, we will provide you with a new set of equipment.</li> <li>▪ For change of plan for Unifi Home, your equipment will not be changed.</li> </ul>

NO.	QUESTION	ANSWER
76	<b>What are other things about Unifi Home that I should know?</b>	<ul style="list-style-type: none"> <li>▪ These are additional information that may help you understand more about Unifi home services:               <ul style="list-style-type: none"> <li>▪ If your premises is a high rise building served via copper, you are required to terminate your existing broadband service (if any) before subscribing to Unifi Home.</li> <li>▪ Minimal drilling is required for fibre installation to the premises. You will be responsible for providing a TV set and 4-socket extension cord to complete the installation. No installation appointment will be made for premises under renovation.</li> <li>▪ All triple play services (internet, voice and TV) will be activated during service installation. Partial service activation is not allowed.</li> <li>▪ Unifi Home is a wired broadband service. Wireless connectivity is an additional feature that TM provides for free and is subject to interference and obstructions factor which may affect its quality.</li> <li>▪ Unifi Home account owner or authorised contact person must be available during the service installation. For high rise premises, owners are required to make arrangement with Building Management Office for installation permission, internal cabling and access to telecommunication room.</li> <li>▪ For internal cabling, additional charges will be applied for standard cables more than 50 meters and payment will be made directly to the contractor.</li> <li>▪ For other optional installation e.g. wiring inside ceiling or external cabling (pole to ground with surface cabling to premises), you may appoint your own contractor or deal directly with TM appointed contractor. Payment will be made directly to the contractor.</li> <li>▪ Please provide a correct and valid billing email address and mobile phone number. TM will send your monthly bill via e-Bill to your registered email address. You will also receive an SMS notification within seven (7) days once your bill is ready. This SMS will include the bill amount and its due date. You can also access your bill anytime through Unifi portal (<a href="http://Unifi.com.my">Unifi.com.my</a>), MyUnifi app or Unifi UniVerse app.</li> </ul> </li> <li>▪ All Unifi Home equipment provided by TM is covered by a 12-month manufacturer's warranty.</li> </ul>

NO.	QUESTION	ANSWER
TERMINATION		
77	How do I terminate my broadband subscription?	<p><b>Step 1:</b> Provide a 30-day notice of your intention to terminate the service via any of the following channels:</p> <p>a) Online channels:</p> <ul style="list-style-type: none"> <li>• Unifi portal (<a href="https://unifi.com.my">Unifi.com.my</a>)</li> <li>• Live Chat at <a href="https://maya.unifi.com.my">https://maya.unifi.com.my</a> or via MyUnifi app</li> <li>• Facebook at <a href="https://facebook.com/weareunifi">facebook.com/weareunifi</a></li> <li>• X (formerly Twitter) at <a href="https://twitter.com/unifi">@unifi</a></li> <li>• Email to <a href="mailto:help@unifi.com.my">help@unifi.com.my</a></li> </ul> <p>b) Call 100</p> <p>c) Walk in to the nearest <a href="#">Unifi Store / TMpoint</a></p> <p><b>Step 2:</b> We will issue a pre-final bill indicating your outstanding balance. A TM representative will call you within seven (7) days to confirm your termination request. Once payment is settled, we will proceed with your termination order on Day 31 from the notice date.</p> <p><b>Step 3:</b> You will receive an SMS once your Unifi account termination is completed.</p> <p><b>Important note:</b> <i>If there are any unpaid bills by Day 30, your termination request will be cancelled and your Unifi service and charges will continue as usual.</i></p>

NO.	QUESTION	ANSWER										
78	What documents should I bring to terminate my service at a Unifi Store/TMpoint?	<ul style="list-style-type: none"><li>▪ Please bring along your MyKad for thumbprint verification and a copy of the front page of your Bank Account Statement (displaying Bank Account Name &amp; Bank Account Number).</li></ul>										
79	What if I'm unable to go to a Unifi Store/TMpoint in person to terminate my service?	<ul style="list-style-type: none"><li>▪ You may appoint an authorised representative to terminate the service on your behalf, but only for the scenarios listed below.
